

# KITCHEN CABINETS, WORKTOPS AND ASSOCIATED PRODUCTS

SEPTEMBER 2018 - 31ST AUGUST 2022

K6 FRAMEWORK GUIDE

**SCOTTISH PROCUREMENT ALLIANCE (SPA),** a collaborative approach for procurement in Scotland, was created both by and for organisations that purchase products and services for the construction, refurbishment and maintenance of social housing and public buildings throughout Scotland.

SPA is backed by **LHC** one of the leading and most respected procurement organisations in the UK.

SPA work closely with our partners, ensuring their needs, standards and aspirations are fully met. SPA is **FREE TO JOIN**, we currently have over 90 partners across the Scottish public sector.

SPA provides a **QUICK AND EASY** route to market, whilst ensuring our clients are complying with the Procurement Regulations in Scotland.

We recognise that procurement is an ever changing landscape, therefore to ensure ongoing compliance to the regulations, SPA continually monitor and update our processes to reflect any changes.

By working closely with our partners, SPA promotes best practice in procurement, helping to achieve social value and positive outcomes for communities across Scotland.

# ABOUT THIS FRAMEWORK

K6 Framework is for the supply only of kitchen cabinets, worktops and associated products.

The framework was tendered under 5 different regions across Scotland. Each region has been assessed individually and the companies appointed have demonstrated the competence and experience to deliver the products required.

In total, 10 suppliers submitted tenders for this framework. Through our evaluation process we appointed 5 companies offering the best value for money.

## SERVICES

- > Develop client brief
- > Survey/Design
- > Technical design advice i.e. product, planning, regulation
- > Production or design drawings for planning/approvals

# BENEFITS OF USING SPA FRAMEWORK

## INTELLIGENT PROCUREMENT

Sharing knowledge across the sector with our clients and companies ensures that we are ahead of the curve in procurement.

The K6 framework, second generation of the supply only kitchen cabinet and worktops agreement, offers the latest designs in products suitable for use within the public sector.

The framework offers an efficient procurement process allowing clients the opportunity to procure their kitchen unit supply requirements through a single source contract. Along with the design and customer service elements the framework offers high quality products whilst ensuring value for money.

## FREE TO USE

Joining SPA is free for any organisation that is publically or partially publically funded.

You can download a membership form from our website:

## BACKED BY 50 YEARS OF EXPERIENCE

With a heritage that extends half a century, LHC is one of the most experienced and respected providers of procurement frameworks in the construction sector.

As a not-for-profit organisation, LHC shares an ethos with their clients. The expert technical team at LHC produce, house and manage the frameworks in conjunction with SPA and their partners.

This provides direct access to a tried and tested system that maintains compliance, quality and best value for clients.

## ACTIVE PARTNERSHIPS

Our partners are encouraged to engage in the development of our Frameworks.

Through this, our partners, can ensure the requirements and specifications meet the needs of the local communities whilst maintaining quality standards and best value for money.
