

SPA is Scotland's Largest - Construction Focused - Framework Provider

Scottish Procurement Alliance (SPA) are a not for profit technical procurement organisation. SPA were established in 2016 with the aim of delivering intelligent procurement solutions to support better buildings and homes for the Scottish public sector.

Over 20 Construction, Refurbishment and Compliance Frameworks that are flexible and compliant. Covering New Build, Energy Efficiency, Modular Buildings, Fire Safety, along with Multi-Disciplinary options.

 This year we celebrate our 5th anniversary and with it our on-going commitment to supporting our Partners in driving social value through procurement.
