

**INTELLIGENT
PROCUREMENT SOLUTIONS**
FOR THE EDUCATION SECTOR

INTRODUCTION TO SPA

Scottish Procurement Alliance (SPA) are Scotland's premier construction focused procurement solutions provider. As a not-for-profit technical organisation, SPA's aim is to deliver better buildings and homes for the Scottish public sector.

SPA offer a comprehensive portfolio of procurement solutions that cater specifically to the education sector. Enabling the delivery of a wide range of projects from the construction of new education campuses to individual roofing, glazing, and refurbishment projects.

SPA are proud to have worked alongside our Partners to support the delivery of the following education projects through our technical procurement solutions.

17

New nurseries

11

New primary schools

31

PB3

PUBLIC BUILDINGS CONSTRUCTION AND INFRASTRUCTURE

The SPA framework for Public Buildings Construction and Infrastructure is available to all local authorities, housing associations and other public sector bodies for the construction of new buildings, extensions and refurbishment of public buildings and infrastructure works.

This framework is suitable for:

- Education buildings
- Student accommodation
- Healthcare buildings
- Emergency services buildings
- Community buildings
- Offices and other buildings for social infrastructure
- Associated works that may be required to deliver the types of buildings above or other public buildings
- Infrastructure works such as bridges, retaining walls, drainage and new roadways

This Framework runs until 30th September 2025.

MB2

MODULAR BUILDINGS

The Modular Buildings Framework covers the design, supply, and installation of permanent modular buildings, refurbished modular buildings, and the hire of temporary modular buildings for the following areas:

- Nurseries
- Primary schools
- Secondary schools
- Further education buildings
- Universities
- Sport facilities
- Other types of community buildings
- Mixed use development for student accommodation for schools and universities

This framework runs until 9th May 2025.

RS4

ROOFING SYSTEMS AND ASSOCIATED WORKS

The Roofing Systems Framework provides procurement solutions for the design, supply, and installation of roofing systems and associated works in all types of public sector refurbishment and new build projects.

The Framework scope provides the following options:

- Traditional flat roofing systems
- Liquid flat roofing systems
- Profiled metal pitch roofing systems
- Traditional pitched roofing systems
- Mixed roofing projects comprising a combination of the above

All are suitable for new installations and the removal existing, and replacement of, roof coverings.

This Framework runs until 31st May 2025.

WD1

WINDOWS AND DOORS

The Windows and Doors Framework is for the specialist design, supply and installation of high quality windows, doors and associated products.

This Framework is the amalgamation of our Timber and u-PVC frameworks and incorporates over 40 years of experience and expertise in this field.

This Framework runs until 31st July 2022.

SPA offer the following frameworks in addition to those already covered in this guide.
